Peruvian Drinks

Pisco

The National Drink

Wines

PISCO is the Peruvian brandy - A clear spirit produced exclusively from the distillation of recently fermented grape musts, making it a completely natural drink.

It is of such high quality that it takes seven kilos of grapes to achieve just one litre of Pisco.

Pisco is an excellent digestive when drunk pure after dinner, it can also be used in cocktails and long drinks.

Pisco Sour Recipe

Blend 2 measures of pure Pisco, 10 ice cubes, and 1 measure of sugar syrup or sugar. Add 1 measure of freshly squeezed lime juice and ½ a measure of egg white or alternatively a 1/4 of a sachet of egg white powder (can be found in Sainsbury's). Serve in cognac goblet with 3 drops of Angostura bitter.

Pisco Punch Recipe

In cocktail shaker mix 4 oz of Pisco, 2 tablespoons of pineapple juice, 2 tablespoons of sugar syrup or sugar, the juice of 1 lime with ice cubes. Shake and serve in cognac goblet with 4 drops of Angostura bitter.

Chilcano of Pisco Recipe

Mix 2 oz of Pisco, ¼ oz of lime juice, 4 drops of Angostura bitter, 2 drops of sugar syrup or sugar, ½ piece of fresh orange, ice and top up with ginger ale. Serve with a slice of lime to decorate.
